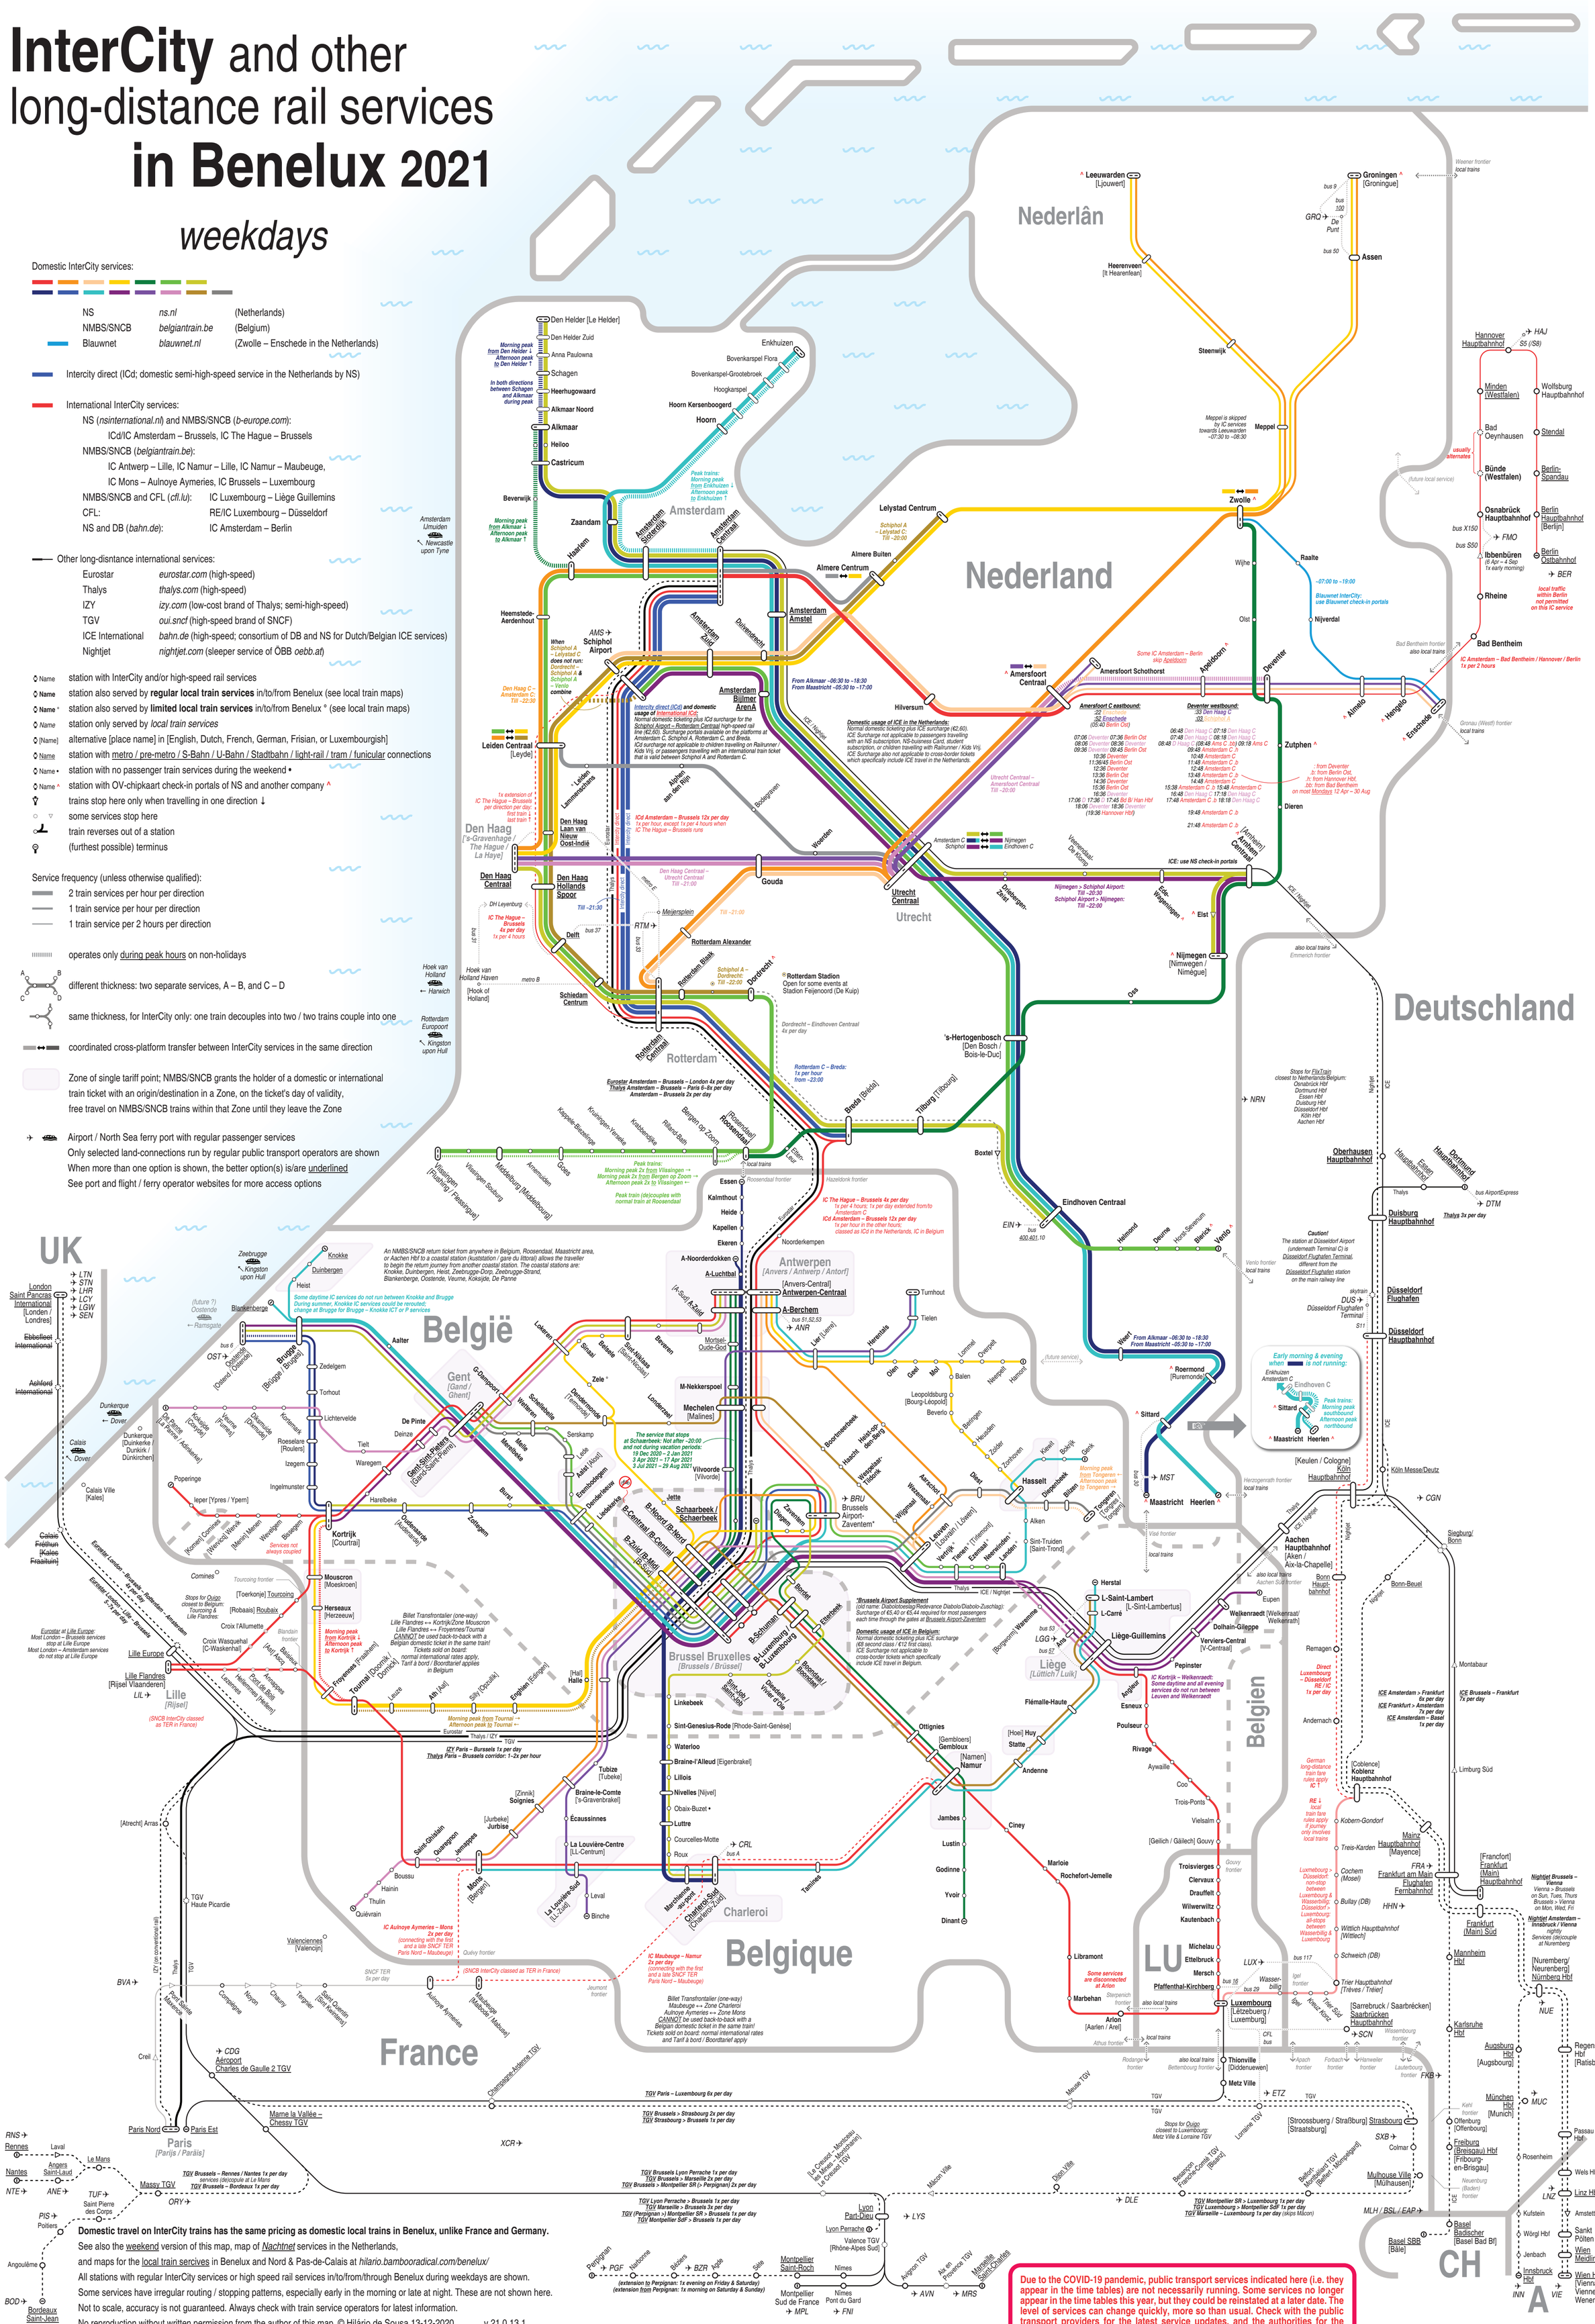
Name * — station also served by **limited local train services** in/to/from Benelux * (see local train maps)
Name — station only served by *local train services*
[Name] — alternative [place name] in [English, Dutch, French, German, Frisian, or Luxembourgish]
Name — station with metro / pre-metro / S-Bahn / U-Bahn / Stadtbahn / light-rail / tram / funicular connections
Name • — station with no passenger train services during the weekend •
Name ^ — station with OV-chipkaart check-in portals of NS and another company ^
trains stop here only when travelling in one direction ↓
some services stop here
train reverses out of a station
(furthest possible) terminus

Service frequency (unless otherwise qualified):
2 train services per hour per direction
1 train service per hour per direction
1 train service per 2 hours per direction

operates only during peak hours on non-holidays
different thickness: two separate services, A – B, and C – D
same thickness, for InterCity only: one train decouples into two / two trains couple into one
coordinated cross-platform transfer between InterCity services in the same direction
Zone of single tariff point; NMBS/SNCB grants the holder of a domestic or international train ticket with an origin/destination in a Zone, on the ticket's day of validity, free travel on NMBS/SNCB trains within that Zone until they leave the Zone


Airport / North Sea ferry port with regular passenger services
Only selected land-connections run by regular public transport operators are shown
When more than one option is shown, the better option(s) is/are underlined
See port and flight / ferry operator websites for more access options
