L and *S* train services in Belgium *RE* and *RB* train services in Luxembourg 2020

Monday 23 March

Due to the COVID-19 pandemic, train services have been gradually reduced since around Monday 16 March 2020.
DO NOT TRAVEL UNLESS ABSOLUTELY NECESSARY, e.g. travelling to save lives. PRACTISE SOCIAL DISTANCING.
All stations with local train services in/to/from Belgium and Luxembourg are shown.
See also the maps for other train services in Benelux at *hilario.bambooradical.com/benelux/COVID-19.html*
Domestic travel on local trains has the same pricing as domestic InterCity trains in Benelux.
This map does not capture the many irregularities in the train schedules, and schedules are prone to rapid changes during this crisis.
After many changes in the preceding week, the schedules for the following four weekdays are probably going to be similar to this minimalistic schedule for Monday 23 March 2020. However, check with public transport operators repeatedly for the latest information.
In Belgium, there are very few services around midday and after 20:00. Accuracy is not guaranteed. This map is not to scale.
