A detailed map of InterCity and high-speed rail services in Benelux for 2018, showing routes across the Netherlands, Belgium, and Luxembourg, with connections to France and Germany. The map uses color-coded lines to represent different rail services: high-speed rail (Eurostar, Thalys, IZY, TGV, ICE) in grey, and domestic InterCity services (Nederlandse Spoorwegen, NMBS/SNCB, Blauwnet) in various colors. Major stations are marked with circles and labels, including Amsterdam, Rotterdam, Brussels, and Luxembourg. The map also shows international connections to France (Paris, Lyon, Marseille) and Germany (Berlin, Cologne, Frankfurt). A legend on the left explains the symbols and line types used. The map is titled 'InterCity rail services and high-speed rail services in Benelux 2018 weekdays'.
