The map illustrates the rail network in Benelux, highlighting InterCity and high-speed services. Key features include:

- Geographical Coverage:** The map spans the Netherlands (Nederlân/Nederland), Belgium (België/Belgique), and Luxembourg (LU), with extensions into Germany (Deutschland), France (France), and Switzerland (Schweiz).
- Service Types:** High-speed rail services are shown in grey, while domestic and international InterCity services are color-coded (orange, green, blue, red, yellow, purple, pink, brown, and black).
- Stations:** Major stations are marked with circles and names in their respective languages. Some stations are also served by local trains, indicated by a small circle with a dot.
- Service Frequencies:** Lines are labeled with service frequencies, such as "2 train services per hour per direction" or "1 train service per 2 hours per direction".
- Transfer Points:** Stations where services connect are marked with a double-headed arrow.
- International Connections:** Routes to the UK (via Eurostar), France (via TGV), Germany (via ICE), and Switzerland (via TGV) are shown.
- Weekend and Public Holiday Schedules:** The map specifically details services for weekends and public holidays, with some routes marked as "operates on Saturdays only".
- Legend:** A comprehensive legend on the left side explains the symbols used for stations, service types, frequencies, and transfer points.
