

Connect Eurostar ticket

includes train travels between any train station in the Netherlands and Brussels-Midi/Zuid, crossing the Dutch–Belgian border. (Between the Netherlands and Brussels-Midi/Zuid, Thalys / Eurostar / ICE Liège – Brussels services are excluded.) Issued in combination with a Eurostar booking between Brussels-Midi/Zuid and Ashford / Ebbsfleet / London. The entire one-way journey has to be completed in one day; tickets are valid: a) on NS trains until 04:00 the following day; b) on other trains in the Netherlands, and on NMBS/SNCB trains, until the last service of the operational day; c) on the specific Eurostar service stated in the booking. From the Dutch Eurostar website, you can book a Connect Eurostar ticket by choosing Elk Nederlands Station and Ashford / Ebbsfleet / London as the origin/destination. Alternatively, from the NS (or NMBS/SNCB) International website or app, book a journey between the Netherlands and Ashford/Ebbsfleet/London, select an itinerary which satisfies the conditions above, and a Connect Eurostar ticket is usually offered. Check the conditions of the ticket very carefully. With this fare, in the Netherlands, the Intercity direct supplement (ICd Schiphol – Rotterdam) is not applicable, while the ICE supplement (ICE Arnhem – Utrecht – Amsterdam) is applicable. *With NMBS/SNCB, one is not allowed to break a train journey if one is not on the shortest possible route, and Brussels Airport-Zaventem has a station access fee. If there are irregularities with the train services, follow official recommendations. From the Netherlands to UK, arrive at Brussels-Midi/Zuid with sufficient time for Eurostar check-in, and security / border checks. (NS = Dutch Rail; NMBS/SNCB = Belgian Rail)
