Service frequency (unless otherwise qualified):

- 2 train services per hour per direction
- 1 train service per hour per direction
- 1 train service per 2 hours per direction

operates only during peak hours on non-holidays

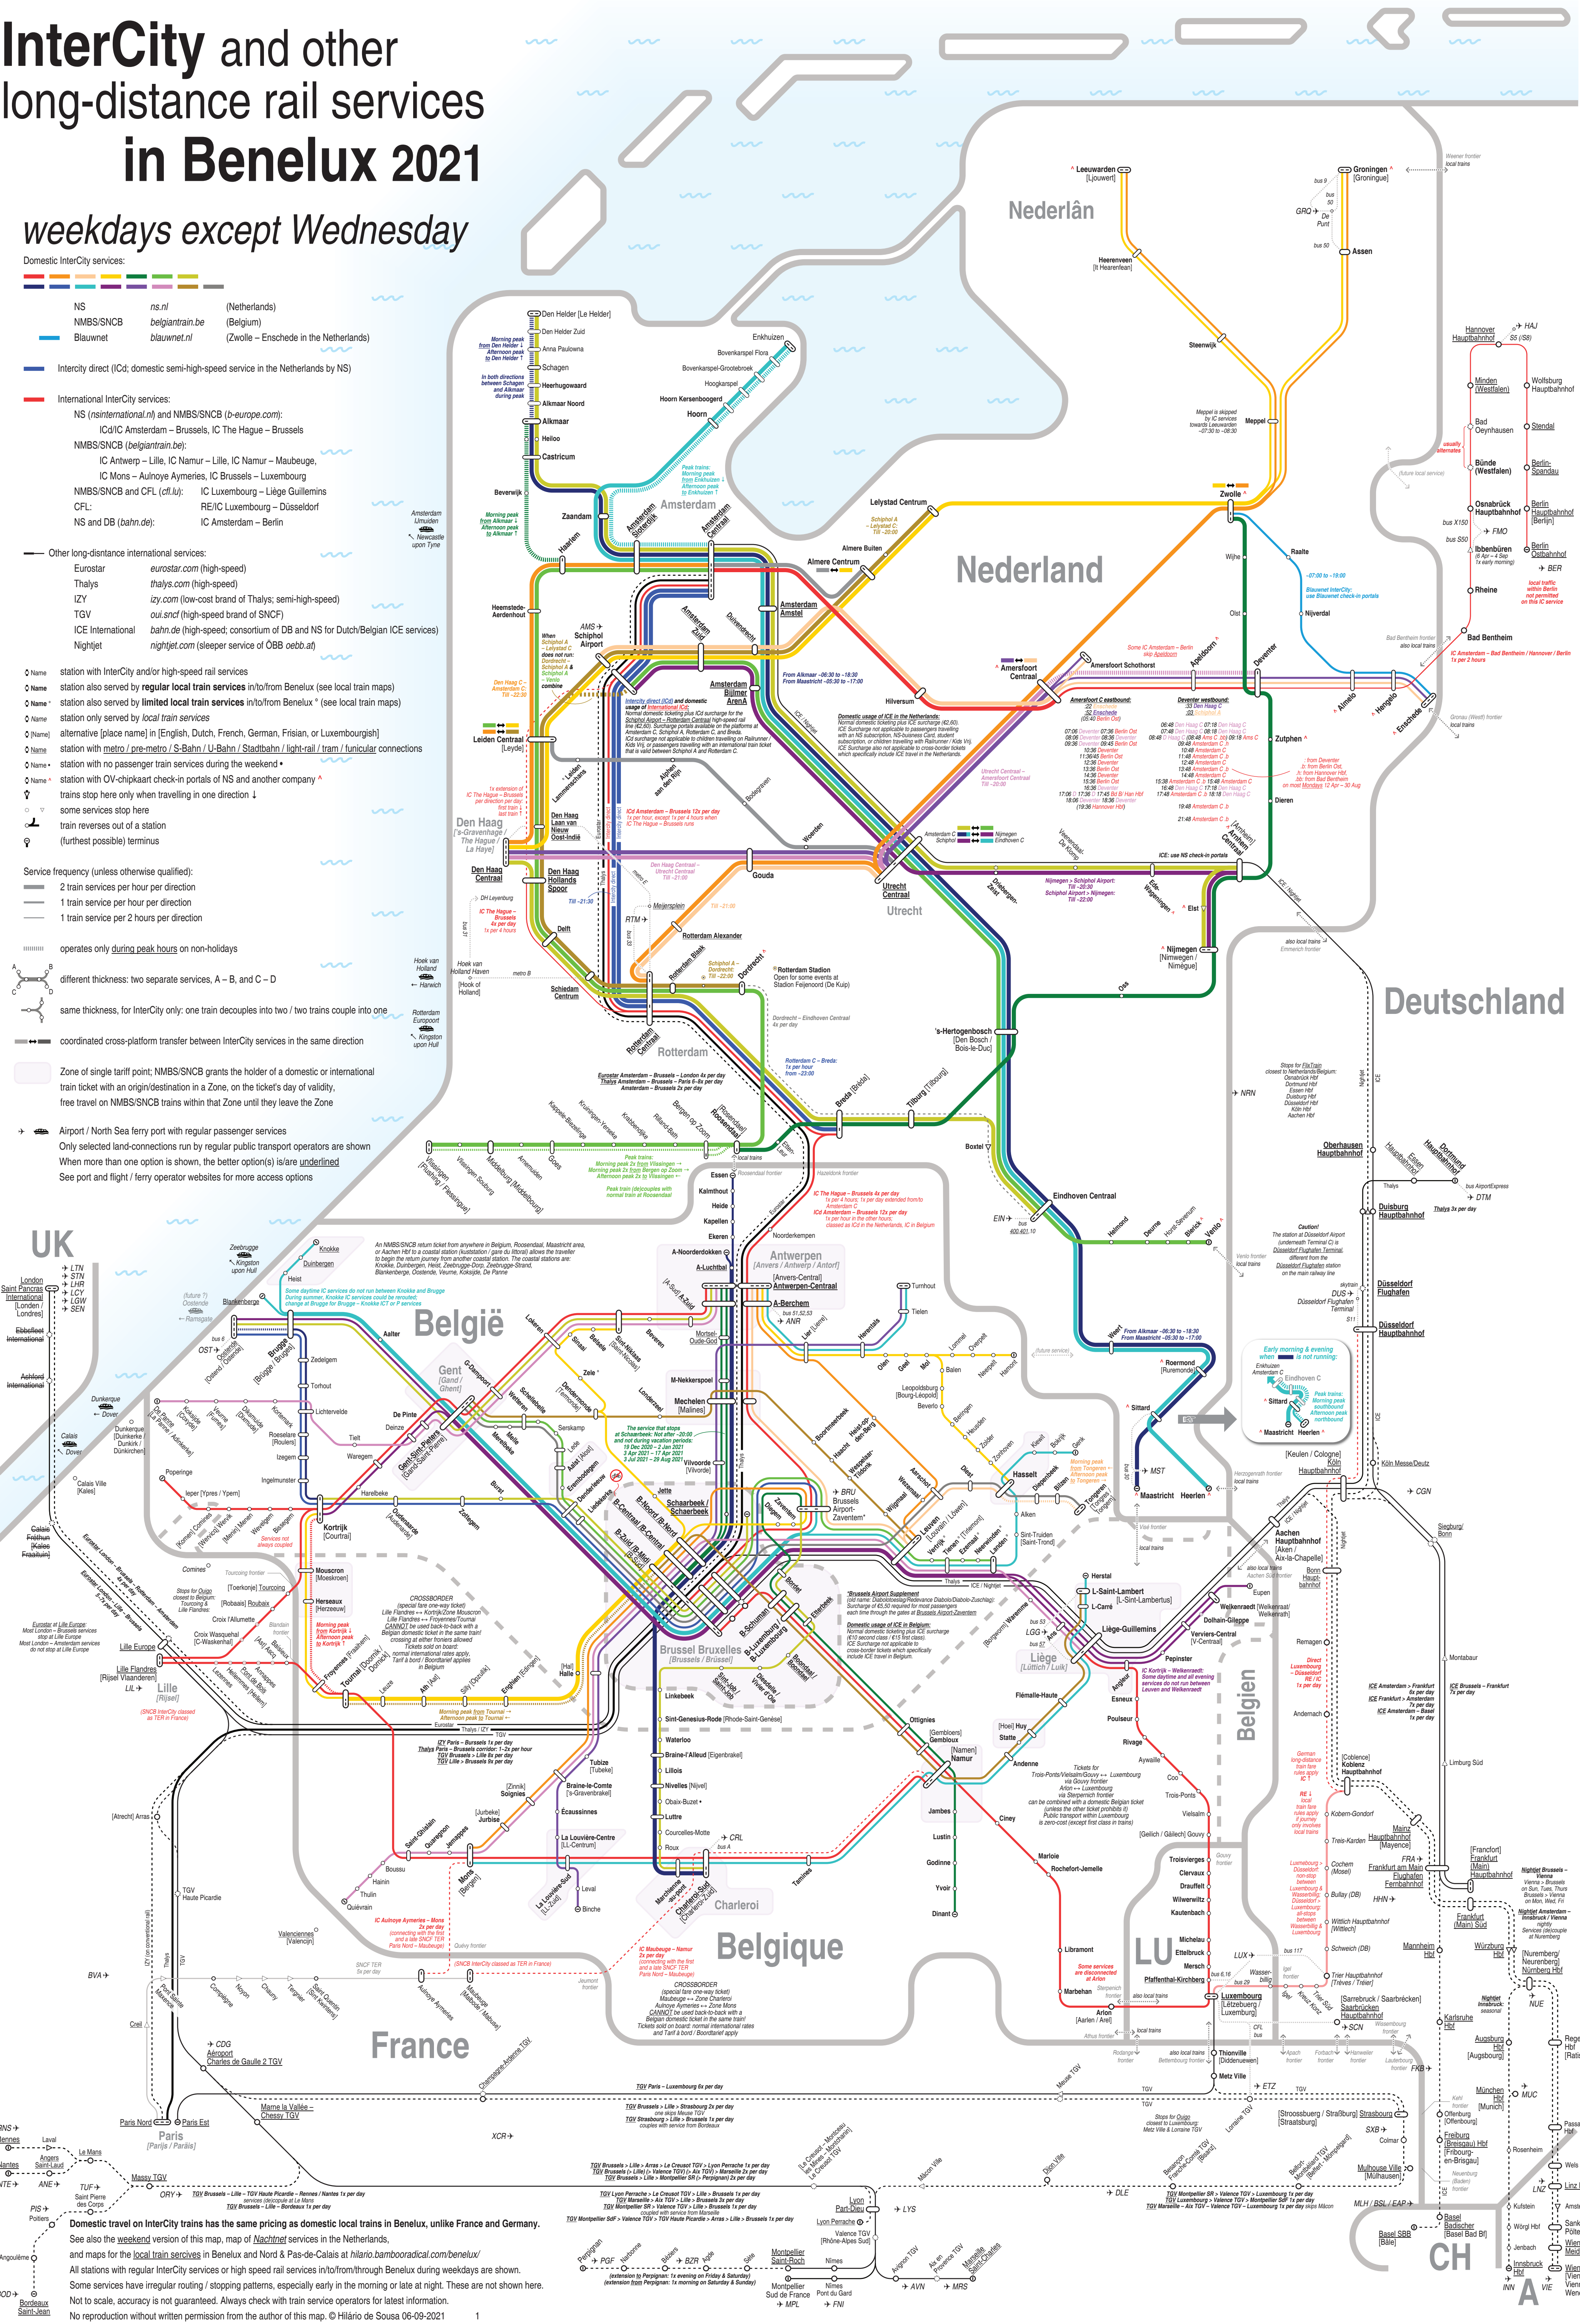

different thickness: two separate services, A – B, and C – D

same thickness, for InterCity only: one train decouples into two / two trains couple into one

coordinated cross-platform transfer between InterCity services in the same direction

Zone of single tariff point; NMBS/SNCB grants the holder of a domestic or international train ticket with an origin/destination in a Zone, on the ticket's day of validity, free travel on NMBS/SNCB trains within that Zone until they leave the Zone

Airport / North Sea ferry port with regular passenger services  
Only selected land-connections run by regular public transport operators are shown  
When more than one option is shown, the better option(s) is/are underlined
