The map shows a red line representing the railway route. It starts at Münster Hof, goes north to Hörstel, then turns east to Ibbenbüren-Esch, and finally continues east towards Hamm. The line is labeled 'Hamm RE15' at the top.

The map shows a section of the study area. A red line, likely a railway or road, runs vertically. To the left of this line is the label 'Metelen Land'. To the right, there are two locations marked: 'Laggenbeck' at the top and 'Osnabrück Altstadt' below it. A small circle marks the location of Osnabrück Altstadt. Several grey rectangular shapes are scattered in the area, possibly representing buildings or land parcels.
