For InterCity and InterCity direct services:

2 train services per hour per direction
1 train service per hour per direction
1 train service per 2 hours per direction, or less

operates only during peak hours

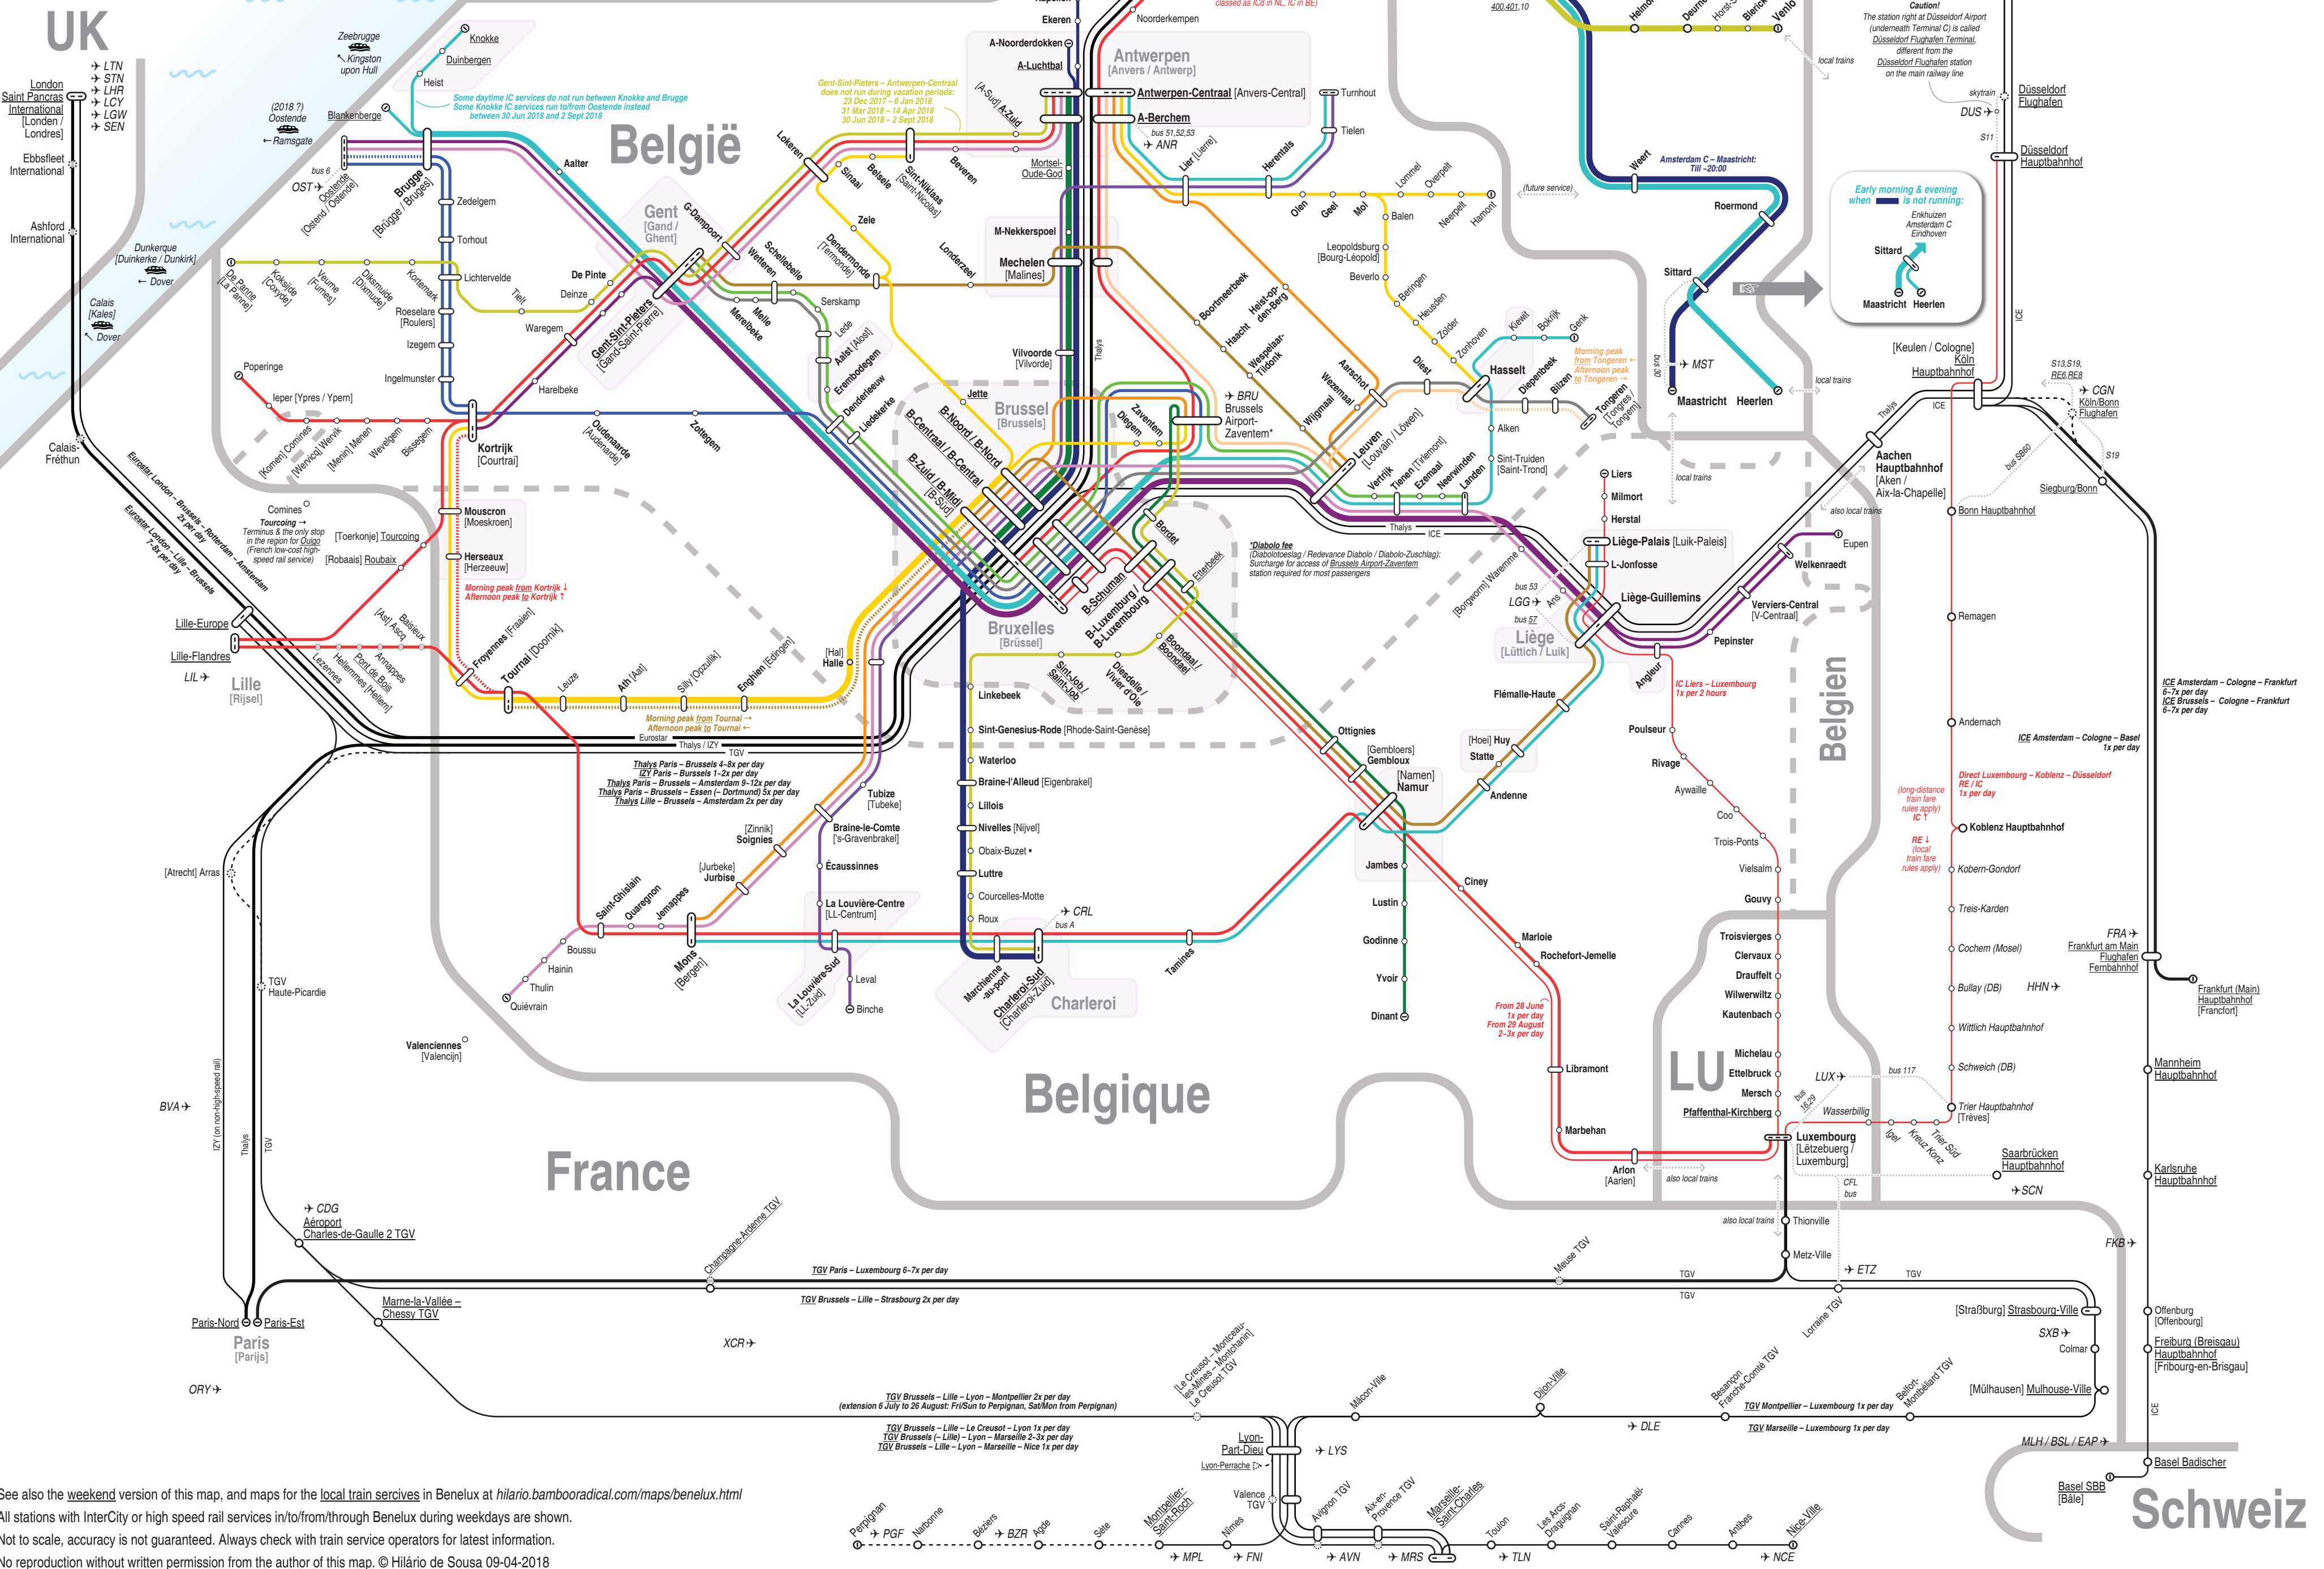

two separate services: A – B, and C – D

train service splits into two / train services combine into one

coordinated cross-platform transfer between InterCity services in the 'same' direction

zone of single tariff point. For instance, a ticket with 'Zone Brussel' / 'Zone Bruxelles' as the origin/destination means that the origin/destination can be any station in the Brussels zone
For high-speed rail services other than InterCity direct, check whether the ticket includes connections within the Brussels / Antwerp / Liège zones

Airport / North Sea ferry port with regular passenger services
Only selected land-connections run by regular public transport operators are shown
When more than one option is shown, the better option(s) is/are underlined
See port and flight / ferry operator websites for more access options
