

regular Domestic and local cross-border train services in Belgium and Luxembourg 2026

Saturday, Sunday, and holidays

Vacation periods for Belgian Rail:
Sat 20 Dec 2025 – Sun 4 Jan 2026; Sat 4 Apr 2026 – Sun 19 Apr 2026; Sat 27 Jun 2026 – Sun 30 Aug 2026
(According to current info from the NMBS/SNCB electronic journey planner; info may change)

*(e) Brussels Airport Supplement: €7.10 surcharge for passing through the passenger gates at Brussels Airport-Zaventem station. (No discount with Train+.)
Check whether the supplement needs to be purchased if it is not already included in a ticket.
Belgium: EC, IC, S, L, P, and T services within Belgium have the same distance-based ticketing, e.g. Brussels – Antwerp IC and S 1 have the same price / ticket.
Luxembourg: Domestic public transport in Luxembourg is fare-free, except 1st class train travel: IC, RE, RB, and TER services have the same time-based ticketing. (Belgian buses in Luxembourg do not take domestic passengers.)
Train services not included in this map include: a) metro & tram services; b) P and T trains (see P & T train map); c) train services on other days of the week; d) heritage railway services; e) international high-speed (> 250 km/h) and sleeper services (they do not allow domestic travel, or the domestic fare is significantly higher than the normal domestic fare).
Check carefully in a journey planner for the latest info, and what time the first and last services run. (On average services begin and end earlier in Belgium than in Luxembourg and the Netherlands.)
Usually Sunday schedule applies on holidays, but check with train service operators for possible special arrangements. Check at, e.g., belgiantrain.be, dfl.lu
Accuracy is not guaranteed; there can be scheduled or unscheduled irregularities. No reproduction of this schematic map without written permission from the author.
